

It is a violation of public records law to disclose this information.

Here's a picture of the form I had to fill out to do "outside activities", most government agencies don't make you do this. Most DSA activities are fine per the Hatch Act, I'm just more restricted bc I'm an auditor. I can put you in touch with my friend Franklin who's more informed about the law etc.

Part D. Outside Positions

Report any positions, whether or not compensated, that you held outside GAO during the reporting period.

Reportable positions include Officers, Directors, Managers, and employees of outside organizations. For more information about what to include, see [Outside Positions](#).

Do you have any reportable outside positions?

(CHECK ONLY ONE ANSWER)

- Yes (Please list below)
- No (GO TO: [Part E. Agreements and Arrangements](#))

2. For each reportable outside position, list in the space below:

- Organization (name and location),
- Type of organization,
- Position, and
- Include the date your Form 256 was approved for each applicable outside position

If requested, you must provide to your reviewer a copy of the approved GAO Form 256, [Permission to Engage in Outside Activities](#), for all reportable outside positions.

(You must answer "Yes" above AND specifically enter a response below in order for it to be included on your [report](#).)

Example: *BMH Inc., Rockville, MD, computer sales, salesperson, 256 was approved on 5/3/xx*
