

Project Veritas | Transcriptionist

OUR MISSION

The Project Veritas mission is to investigate and expose fraud, corruption, dishonesty, self-dealing, waste, fraud, and other misconduct in both public and private institutions such that it creates a wave of critical mass to compel social and political reform. In short, we are a catalyst for a more just, ethical and transparent society.

SUMMARY:

Small media company seeks one full-time employee and one part-time contract support Transcriptionist to create written records of audio and video recordings. The finished products must demonstrate clear formatting and easy-to-read content, which can be used for quick distribution of information. Must be able to comprehend audio quickly and type while you listen. Having a good editorial eye is helpful.

PRIOR TRANSCRIBING EXPERIENCE NECESSARY.
